# November Padlet News

## Cooperation Page

In this month each school students prepared a video to commemorate Atatürk with his well known "Quotes" used by foreign famous people.

We made a Teacher Day Album and teachers gave suggestions about YDT exam to students

We worked together with our project team on PADLET. It was very enjoyable

Even though we couldn't face to face, we should celebrate this day heart to heart. We had an idea... We created our avatars and prepared a Teachers' Day Photo Album for 24th November
